Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate I am permitted to hear. We do have the freedom to choose and listen to whatever we like. Respectfully I urge the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve as well as other listeners of XM radion. Thanks for you time in this matter.

Sincerely  
Loretta Ziegler
